

The logo for Jumis Luxury features a stylized icon on the left, composed of four triangles meeting at a central point, with the top-left and bottom-right triangles highlighted in a golden-yellow color. To the right of this icon, the word "jumis" is written in a lowercase, sans-serif font. Below "jumis", the word "luxury" is written in a smaller, all-caps, spaced-out sans-serif font.

## Bogota

With BOGOTA, the living space can be interpreted in the widest range of ways, from formal to more laid-back. The variety of covers, whether made of leather with frames made of the same material or of fabric with matching tone-on-tone or contrasting frames, allows even more customization and provides monochromatic or contrasting alternatives. A wood profile underlines the base of the metal frame. The level of comfort is increased by the availability of cushions in different sizes.

A white, handwritten signature or mark on a black background, resembling the word "Zen" in a cursive script.
